Resolution 1: The coordinator places the report of the academic improvement status of the students of various departments. As many students live in rural areas and the e-resources are not available to them because of the weak internet connectivity. It is resolved in the meeting that all the students should be provided with the e-resources/study materials through their portal by the respective faculty members of the college to enhance the knowledge of the students.

Resolution 2: The IQAC team visit the COE section of the college and discuss with the COE and other members involved in the section. By viewing the present status of the section it is resolved that the number of computers and printers must be increased for efficient running of the system and the Principal is requested to initiate the matter at the earliest.

Resolution 3: As per proposal of the IQAC meeting held on 11.12.2018 regarding purchase of instruments and library books, the Principal placed the report of purchased instruments and books. It is resolved that more books and instruments should be purchased phase wise as per requirements of newly adopted syllabus.

Resolution 4: As per notice of the UGC, the Higher Education Institute must adopt the local villages for socio-economic survey and development proposal presentations. It is resolved that it must be notified to all the faculty members to participate in the programme. The coordinator of IQAC is requested to take necessary steps regarding this matter.
