

Annexure – XI

Final Report Assessment/ Evaluation Certificate (Two Members Expert Committee Not Belonging to the Institute of Principal Investigator) (to be submitted with the final report)

It is certified that the final report of Major Research Project entitled “Design, development and characterization of mesoporous functional metal-organic framework (MOF)” by Dr. Pulakesh Bera, Department of Chemistry, Panskura Banamali College (Autonomous) has been assessed by the committee consisting the following members for final submission of the report to the UGC, New Delhi under the scheme Major Research Project (F.No.42-280/2013(SR)).

Comments and Suggestions of the Expert Committee:-

The work done by Dr Pulakesh Bera is very good. Seven research articles have been published in reputed international journals. The outcome of the project is also very good. Several applications of the MOFs were also studied. One humble suggestion is that the gas adsorption ability of the synthesised MOFs may be explored in future, if possible.

Name & signature of Experts with date:

	Name of Expert	University/college name	Signature with Date
1.	Dr. Shouvik Chattopadhyay	Jadavpur University	<i>Shouvik Chattopadhyay</i> 27.04.2021

Dr. Shouvik Chattopadhyay  
Associate Professor  
Department of Chemistry  
Jadavpur University  
Kolkata-700032

It is certified that the final report has been uploaded on UGC-MRP portal on .03.05.21.....

It is also certified that final report, Executive summary of the report, Research Documents, monograph academic papers provided under Major Research Project have been posted on the website of the University/College.
